## Logo Request Form

Logo use permission is granted on a case-by-case basis. To request use of the logo of the Diocese of Hallam this form must be completed in full.

Approvals are for one-time use only; subsequent uses of the logo on additional communications vehicles will need to be requested separately.

The diocesan logo will be made available and should not be modified in terms of the design of the image and the font used for the text.

No words, images or parts should be added or removed.

If questions arise regarding the appropriate use of the diocesan logo, the diocesan Communication Group should be consulted.

Reasonable notice should be given for logo requests.
