

Live online training courses

June/July 2021

Although all our face-to-face training is currently cancelled, we have a programme of live, online training sessions available to book now. Participants are limited to 25. Our [online domestic abuse and sexual violence awareness courses](#) are still available for trainees to access remotely.

About us

We are the leading specialist domestic abuse charity in Yorkshire. We also offer expert advice and support to people who have been affected by sexual violence and abuse. Each year we receive more than 15,000 calls to our confidential helpline and provide direct support to more than 7,000 individuals and families. We provide safe accommodation to over 100 individuals and families in our refuges each year, and also offer training to professionals to raise awareness of domestic abuse and related issues.

With our support, victims of domestic abuse and sexual violence tell us that they feel safer, have greater confidence, are able to make positive choices, and move forward in their lives. We support anyone affected by domestic abuse and sexual violence.
