Every Day
Miracles:
What are
they?

God sees you!
He has a real interest in your life,
and He knows the challenges you
face.

God always wants good things
for you. He works little miracles
in your life all the time.

**Love is the 'currency'
of miracles**

SEEKING
HUMAN
KINDNESS

(We all want to be loved)

A young girl with dark hair and closed eyes is lying on her back on a light-colored wooden floor. She is wearing a light green t-shirt with a pattern of small black handprints and the number '5'. Her hands are placed on either side of a large, bright red heart that is lying flat on the floor. The heart is positioned directly in front of her, and her arms are extended upwards towards it. The lighting is soft, creating a gentle shadow of her arms and the heart on the floor.

God guides us to
step out in love...

... And He asks
us to help one
another.

When we do,
God adds to our efforts!

So that suddenly,
before our very eyes...

...Amazing things start to
happen!

**With God's help,
we can ALL be a shining light
for others.**

So, what IS an
Every Day
Miracle?

It's when the right
hands...

...are together in the
right place...

**...Helpin

at the
right
time.**
